

Historical Figure: _____

Biography

Objective: To develop an understanding of and background knowledge about individual contributors to the American Revolution and the development of our country.

Directions: You will draw the name of an important character from the American Revolution time period. You will research that person **and the contribution he or she made to the development of our country**. To present your research, you will create a glog which must include the following:

Checklist:

- Date and place of birth and death
- Education
- Family information
- Career and accomplishments
- Picture of the person
- 3 events of the American Revolution in which the figure played a part
- **Importance and impact of the person during the American Revolution**

Optional

- Map
- Interesting facts

Standard: Writing 1A: Writes in a variety of genres: biography.

Research requirements:

- 3 different sources:
 - Book
 - Database
 - Website
- T-notes to keep information organized and accessible

Standards: Reading 4C: Navigate through large quantities of information using textual clues to quickly evaluate relevance and appropriateness of the information to the task.

Reading 3D2: Effectively use notes with text to increase understanding and retention.

Glog instructions:
